Title: Teaching Circumference Instrument

Letter for Reconsideration,

I, Gerald Bauldock, am requesting that my application for a Teaching Circumference Instrument patent (application # 10/707,088) be reconsidered with the following amendments that resulted from requests in the Notice of Allowance dated 4/15/05. The amendments are as follows:

- 1) The original Figures have been modified as requested in the notice of allowance.**

Title: Teaching Circumference Instrument

Amendment Figures

- 1) The figures have been modified to eliminate shading.
- 2) The figures have been modified to make numbers and reference characters more legible.

The amendments includes no new matter that was not disclosed in the original specifications.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Gerald Bauldock
